

2024 Enrollment information

Beijing Institute of Technology (BIT)

I Admission major and related information

Pre-University Program (At least 15 students)

Program A (HSK4, 1 semester)

	Subject	Class hour	Credit
Science & Engineering Program	Mathematics	144	9
	Physics	64	4
	Outline of China	80	5
	Intercultural Communication and Team Management	32	2
	Chinese cultural inheritance and scientific innovation	48	3
	Activities, Speech, and Application Guidance	16	1
total 16 weeks		384	24
	Subject	Class hour	Credit
Liberal arts/Business Program	Mathematics	144	9
	Outline of China	80	5
	Chinese Writing and Speaking	64	4
	Intercultural Communication and Team Management	32	2
	Chinese cultural inheritance and scientific innovation	48	3
	Activities, Speech, and Application Guidance	16	1
total 16 weeks		384	24

Program B (HSK3, 1 year)

One semester Chinese course; one semester Science & Engineering based lessons or Liberal art/Business based lessons (same as Program A)

4 years bachelor degree program (Teaching in English)

Major:

Aeronautical and Astronautical Engineering、Automation、Computer Science and Technology、Mechatronics Engineering、Electronics Science and Technology、Mechanical Engineering、International Economics and Trade

2 years Master degree program

Taught in Chinese/English		Taught in Chinese
Aeronautics & Astronautics Science and Technology	Computer Science and Technology	Biomedical Engineering
Mechanics	Cyberspace Science and Technology	Master of Engineering Management
Armament Science and Technology	Chemical Engineering and Technology	Theoretical Economics
Safety Science and Engineering	Chemistry	Teaching Chinese to Speakers of Other Languages
Mechanical Engineering	Biology	Design
Power Engineering and Engineering Thermophysics	Mathematics	
Optical Engineering	Statistics	
Instrument Science and Technology	Physics	
Information and Communication Engineering	Management Science and Engineering	
Electronics Science and Technology	Business Administration (Academic)	
Integrated Circuit Science and Engineering	MBA (Professional)	
Control Science and Engineering	Applied Economics	
	National Economy Mobilization	
	Law	
	Education	

4 years Ph.D. degree program

Ph.D. Programs (Taught in Chinese/English)		
Aeronautics & Astronautics Science and Technology	Electronics Science and Technology	Mathematics
Mechanics	Integrated Circuit Science and Engineering	Statistics
Armament Science and Technology	Control Science and Engineering	Physics
Safety Science and Engineering	Computer Science and Technology	Management Science and Engineering
Mechanical Engineering	Cyberspace Science and Technology	Business Administration
Power Engineering and Engineering Thermophysics	Materials Science and Engineering	Applied Economics
Optical Engineering	Chemical Engineering and Technology	National Economy Mobilization
Instrument Science and Technology	Chemistry	Education
Information and Communication Engineering	Biology	Theoretical Economics
	Biomedical Engineering	Law

Teaching language: English/Chinese

Student's age:

Pre-University Program: Below 24

Bachelor Program: 18-25

Master Program: under the age of 35

Ph.D. Program: under the age of 40

II Scholarship

Bachelor : BIT International Student Scholarship

	Tuition	University Accommodation	Stipend	Duration	Note
BIT Global Excellence Scholarship for International Students (First Prize)	✓ 100%	✓	✓ 2500RMB /month*12months	Four years	Passing the annual review will guarantee the scholarship benefits of the following academic year
Second Prize	✓ 100%	✓		Four years	
Third Prize	✓ 100%	✓		One year	Students are entitled to apply for the scholarship on a yearly basis
Fourth Prize	✓ 100%			One year	
Fifth Prize	✓ 50%			One year	

Note: Free university dormitory and stipend will be suspended if a student cannot study on-campus.

Master/ Ph.D.: Chinese Government Scholarship

Cover Tuition fees、 University dormitory or accommodation subsidy,

Stipend: Master's students: CNY3000/month

Doctoral students: CNY3500/month

Comprehensive medical insurance: CNY800 per person per year

III Fee reference

● Tuition fee

Pre-University Program:

Program A CNY15000; Program B CNY30000

Bachelor Degree Program :

Chinese taught program CNY23000/year ; English taught program CNY30000/year

Master's:

Chinese taught program CNY32000/year ; English taught program CNY36000/year

MBA: CNY49000/year (English taught)

Ph.D.: CNY44400/year

● Accommodation fee:

Zhongguancun Campus:

2 people shared room: CNY1350/month 3 people shared room: CNY1200/month

4 people shared room: CNY900/month

Liangxiang Campus:

2 people shared room: **CNY900/month** 3 people shared room: **CNY700/month**
4 people shared room: **CNY500/month**

● **Application fee:**

Pre-University Program: **CNY500**

Bachelor Degree Program : **CNY600**

- **Insurance fee:** CNY 800/year
- **Visa fee:** CNY400/year
- **Textbook fee:** Actual settlement
- **Healthcheck:** Actual settlement

IV Application materials

- *1. The Photocopy of Passport (photo page and Chinese visa page)
- *2. The Certified/Notarized Copy of highest School/academic Transcripts (Chinese or English version)
- *3. The Certified/Notarized Copy of highest degree's Diploma (Chinese or English version)
- *4. Proof of Language Proficiency (For Chinese Medium: HSK5 \geq 180,For English Medium: IELTS \geq 6.0 or TOEFL \geq 85 or other language certificate recognized by school. English native speakers are exempted)
- *5. Personal Statement/Study Plan
- *6. Curriculum Vitae (Master and Ph.D. should submit)
- *7. Two recommendation letters by professors or associate professors (Master and Ph.D. should submit)
- *8. Recommendation Form for International Student by BIT Advisors
9. Physical Examination Record for Foreigner
10. Non-criminal Record (Issued by the local police station)
11. Financial Guarantee Letter (The certificate of bank saving)
12. Freshmen Scholarship Application Form
13. Applications under 18 must submit other materials as required by the school
14. Other documents (Students in design major should provide no less than 2 art works)

Note: have at least 1-year related working or internship experience for MBA program.
